

## Pricing Multiplier Matrix

DeZineBox offers Three boxes – Terra, Zephyr & Ether. The two online boxes are Terra & Zephyr are chargeable whereas Ether, the offline box is complimentary.

DeZinebox offer two types of services under its online boxes – Interior & Architecture.

### Interior

Under Interior – Residential is charged based on the number of rooms selected. Thus, the pricing is calculated as Base Price of the Box \* Number of rooms selected.

For e.g. If you select two rooms – Hall & Kitchen, then the pricing will be

For Terra – 2 \* 5,000 (Base Price of Terra) = 10,000

For Zephyr – 2 \* 7,500 (Base Price of Zephyr) = 15,000

The other subcategories under Interior - Commercial, Hospitality & Institutional will be charged based on area of the space.

The Price will be calculated using a Price Multiplier associated with each area

The Base price of Terra Box is INR 5,000 & Zephyr Box is INR 7,500
